Changes to Services 10, 11 and 10A from Sunday 20 August 2017

Following customer requests to improve links to James Cook University Hospital, these buses are revised, with all trips running as Service 10.

Revised Service 10 will run up to every 20 minutes during daytime periods. This route is also diverted to serve Easterside, improving links from this area to Middlesbrough town centre and across to Coulby Newham. Service 10 buses will also operate later into the evening, with the last trip departing from Middlesbrough Bus Station at 2015 during Monday to Saturday evenings.

Sunday daytime buses are revised to follow the new Service 10 routing, and will therefore no longer run as Service 10A.

As a result of these changes, Service 11 will be withdrawn. For most customers, alternative direct links are available on Service 12, running up to every 12 minutes, or by interchanging between services in the south Middlesbrough area.
