**Changes to Service 12 from Sunday 20 August 2017**

To assist reliability overall for customers, the Monday to Saturday daytime timetable is revised, with buses running up to every 12 minutes.

This revised timetable has been designed to better accommodate the increasing levels of traffic delay which we are experiencing within the south Middlesbrough area.

Although the revised timetables regrettably mean that it will take longer for buses to reach their destinations, it should reduce the potential for buses to “bunch” on the road network, and this will improve overall reliability for customers.

**easyACCESS**

All journeys on this service are operated by easyACCESS vehicles. These buses have a special kneeling facility to lower the entrance step. Inside there's a flat floor at the front with a special buggy parking area, and space for a wheelchair.
